

➔ DATASHEET: Managed Print Services Dashboards

➔ Managed Print Services Dashboards

Managed Print Services Dashboards can help you better understand how your clients are using their print estate; leading to better engagement and opportunities to talk about solutions and products within your portfolio.

- Improve customer engagement
- Build stronger commercial relationships
- Reclaim valuable time, no more manual reports
- Increase opportunities
- Grow trust
- Reduce costs for your clients
- Increase your margin

Bespoke and Tailored

The Dashboards are bespoke and can be tailored to your needs, giving you visibility over your clients print estate. The live data is pulled from multiple sources and consolidated into the dashboard, giving you a holistic view of your print fleet in a single dynamic report.

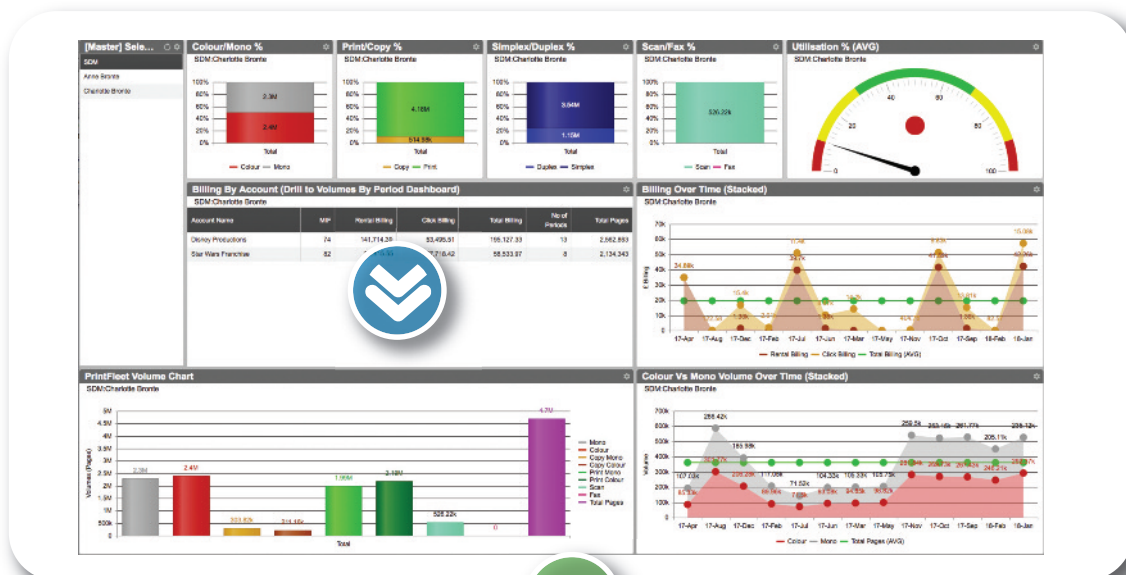

Dynamic Data

The dashboard provides you with live dynamic content, giving you the ability to drill down into the data, in real-time.
