## **ProcessFlows Receives 2017 Diamond OnBase Partner Status from Hyland**

WINCHESTER, HAMPSHIRE, UK – 17<sup>th</sup> March 2017 – Award-winning enterprise content management (ECM) provider ProcessFlows is awarded prestigious Diamond Partner status from Hyland. This award is presented to select partners in recognition of their outstanding customer service, wealth of technical expertise the second-to-none level of support they provide clients and the OnBase by Hyland community.

As a long-established partner of Hyland, ProcessFlows helps organisations optimise their operations efficiently using OnBase as well as a portfolio of carefully selected best-of-breed complex software solutions. ProcessFlows relentlessly strive to provide tangible ROI to clients, eliminating time-consuming paper-driven processes, while smoothly replacing them with resource-effective scalable process automation.

*“Because of Hyland’s commitment to our customers, we only partner with the best solution providers in the industry,”* said John Machonis, director of international sales at Hyland. *“ProcessFlows is a shining example of the value our partners bring to market, and their exemplary delivery and support of industry-leading technology solutions is deserving of Diamond Status recognition.”*

Here is what Chris Thompson, Managing Director of ProcessFlows has to say about the recognition: *“We are delighted to be recognised by Hyland Software by the granting of Diamond status. It is a truly prestigious award and we are very appreciative of their recognition”.*

ProcessFlows is part of the exclusive Authorized OnBase Solution Provider community. The over 300 Hyland partners provide expertise and hands-on support for OnBase, as well as the many complementary ECM solution technologies. Providers collaborate with Hyland to provide customers the highest attainable level of technical support. Additionally, they get continuous OnBase training and the strong backing of respected vendor Hyland.
